PRAYER AFTER THE SERVICE - If you would value prayer after our worship services, we would love to pray for you. Please make your way to the front corner of the church where there will be folk willing to pray for you, or just remain seated where you are and someone

REFRESHMENT AFTER OUR SERVICE - Refreshment after our services is a wonderful way to connect with church folk. Here we linger for or a chat, a word of encouragement, or to be introduced to someone new. What a blessing! If you would be willing to contribute to this blessing by being available to serve tea once in a while, please give the office a ring and ask Debbie to put your name down for a once-in-a-while tea duty. Come, serve your fellow believers and be blessed.

Noticeboard

COME, LET US WORSHIP - Come, let us honour and please the Lord by coming together as His family to worship Him at our appointed times of worship. God is present at these meetings in a peculiar way as he loves His family and seeks to bless them.

CHURCH GARDEN - Anyone with a fresh idea, constructive criticism or offer of help is welcome to email Heidi (heidi@howickcommunity.co.za).

CAR GUARD - Efron is our appointed car guard for our Sunday worship services. He wears a bright orange cap and green luminous jacket so that you can easily spot him. Apart from being employed by the church for the safety of your cars, he is such an amiable fellow. Say *Hi* to him and get to know him.

HELPING HAND - Please do be aware that we have a special fund for folk who are in need or who just need a helping hand. If you become aware of anyone who would value help or a helping hand, please notify Tim Kelly or direct the person to one of the pastors. Thanking you.

WORSHIP DURING THE FOURTH WAVE - While we are permitted to have 175 chairs in the church for our services, for your comfort and safety, we will still only be putting out 120 chairs. (There will be an overflow into the church hall should we exceed 120.) Please, may we ask that you continue to be most careful in observing all the Covid-19 protocols? Please, wear your masks, maintain social distance, and sanitize your hands. We will sanitize the chairs after each service and make sure that there is a free flow of fresh air through the church.

BAPTISMAL SERVICE - Next Sunday, the 16th of January, we have a baptismal service. There are 3 candidates who have requested baptism. If you are interested in knowing more, please speak to one of the pastors.

A big THANK YOU to those who have responded to the recent call for frozen meals! OUR FREEZER IS FULL! Folk, this is a gracious reminder that this is an ongoing ministry to those who are in recovery in the church. Thank you for always responding so magnificently to this appeal to fill our freezer with frozen meals.
